

Collection
Metal

Nuevos colores

No son preciosos...¿O tal vez sí?

Colores sofisticados, como el METAL.
Como los metales preciosos.

Un auténtico lujo para la mirada, que
ahora aumenta con la incorporación de
dos nuevos colores claros y sedosos.

New colors

Aren't they precious?

Sophisticated colors such as METAL. Like
precious metals.

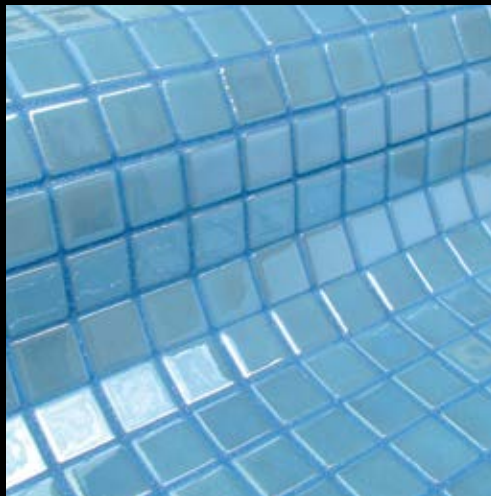

A real treat for the eyes, even more so
now with the introduction of two new
light, silky colors..

Nouvelles couleurs

Ne sont-elles pas magnifiques...
Ou peut-être si ?

Des couleurs sophistiquées, comme le
MÉTAL. Comme les métaux précieux.

Un véritable luxe pour les yeux, qui se
prolonge désormais avec l'incorporation
de deux nouvelles couleurs claires et
soyeuses..
